

Challenge for innovation

We, Crossfor Co., Ltd., are a jewelry manufacturer based in Kofu City, Yamanashi Prefecture, a renowned hub for gemstones.

Leveraging our experience with partners not only in Japan but across the globe, we excel in offering products that incorporate our unique technologies and patented innovations.

Dancing Stone®
MADE WITH CROSSFOR COMPONENT

The Dancing Stone is a piece of jewelry that maximizes brilliance by gently moving the gemstone.

Original clasps
EXL-LOCK®

Original machine-made tennis chain: as light as silk and astonishingly smooth.

Strengths of Crossfor

- Established in 1987, we have cultivated exceptional craftsmanship and expertise in Kofu City, Yamanashi Prefecture, known as Japan's jewelry hub.
- Over 650 intellectual property applications, including the revolutionary Dancing Stone technology.
- Extensive partnerships, including licensing agreements with over 1,000 clients in Japan and more than 450 clients in 45 countries worldwide.
- Comprehensive services, offering seamless support from design and planning to production and delivery.
- The ability to provide not only finished products but also semi-finished goods and components for diverse needs.
