

We propose the next generation jewelry using ceramics so that more people can enjoy jewelry.

"Ceramic Art" engraved on the product is the name of the material. It is not a brand name.

The feature of ceramic

- Allergy-free**
Even those people who have given up on jewelry due to metal allergies can use it.
- Unisex**
Easy to wear for men as well as women. Also suitable for use in pairs.
- Affordability**
Low cost, high volume, and less susceptible to market fluctuations.
- Lightweight and double**
Very lightweight, excellent in anti-friction, heat resistance, and corrosion resistance, and resistant to scratching and deterioration.

Product Variation

You can be purchased with stones, stone-supplied, or mountings. Only Floating stone is available for purchase with or without stones. Gold is available in 24K, 18K, 14K, 10K and YG, WG, PG are available.
